**FLÜID Prep Program is directed by Hannah Taub, Assistant Director of our MÜVMENT Dance Company and Cassidy Fairchild, assistant director of our FLÜID Dance Company. Trainees are selected from the FLÜID audition. This program will provide extra assistance to company hopefuls including a trainee class, monthly checkins with direct feedback from your instructors, class recommendations from company directors, and extra performance opportunities in each of our shows during the 2022-2023 season. This experience will help your dancer gain confidence on stage, get to know the company directors on a more intimate level, and bond with other company hopefuls. Our main goal for this group is to help them make FLÜID while improving their technique, style, and performance ability! In addition to their class tuition, there will be a \$100.00 monthly charge to cover the weekly trainee class and monthly progress meeting. Please email Hannah at [htaub@muv678.com](mailto:htaub@muv678.com) with any questions.**
