Costs to be determined

MÜV CRÜ in Training is a new and exciting “preparation team” to assist company hopefuls for future MÜV CRÜ auditions. Trainees are selected from the MÜV CRÜ audition. This program is led by the current MÜV CRÜ assistant director, Grace Saia. MÜV CRÜ trainees will have the opportunity to perform in our Winter and Spring Showcases as well as compete in the rookie league at 2 local contests! Trainees are required to take a minimum of 5 hip hop classes from our summer schedule. Beginning in the fall, dancers will meet on Fridays for their trainee class and be required to take at least 1 hip hop class. Please email Grace at grace.saia@gmail.com with any questions.
